

# Amateur Organization of Karate

## Golden Greek Registration Form

This form must be filled out completely and turned in no later than the end of the 2<sup>nd</sup> Quarter (June 30<sup>th</sup>) if you plan on running for the Golden Greek Award. This is to ensure that your points are tabulated correctly.

**Golden Greek Award** – The Golden Greek Award shall be given to the competitors in the following categories who have scored the most A.O.K. points in sparring and one kata division, and who held the rank of black belt by the first tournament on the A.O.K. calendar of the year in which those points are earned. For this award, you can only use the points in an AOK State Division indicated for Black Belts Only. The competitor shall announce by the end of the 2<sup>nd</sup> Quarter that they will be competing for the Golden Greek award, so the official tabulator will be able to keep records of their points. The competitors will be required to compete outside his/her region in most of the A.O.K. sanctioned tournaments:

1. All around Male Black Belt
2. All around Female Black Belt
3. All around Executive Black Belt Man (35 & over)
4. All around Executive Black Belt Woman (32 & over)
5. All around Junior Male Black Belt (17 & under, with the majority of points scored in junior category)
6. All around Junior Female Black Belt (17 & under, with the majority of points scored in junior category)
